ICCE 2026 aims to bring together leading academicians, researchers, scientists, and industry professionals from across the globe to exchange knowledge and share research outcomes on recent advancements and emerging trends in science and technology. The conference will serve as a premier interdisciplinary forum for showcasing cutting-edge research, novel methodologies, and practical applications through keynote lectures, invited talks, tutorials, and interactive oral and poster presentations of peer-reviewed papers. This will strengthen academia–industry collaboration, advance knowledge sharing, and drive innovation in emerging technologies.

REDUCED REGISTRATION FEE

for students, IEEE members, authors registering additional papers, and early-bird registrations. Visit the conference website for details: www.icce.org.in/fees

IMPORTANT DATES

Last Date for Paper Submission: 15 July 2026
Notification of Acceptance: 31 August 2026
Early Bird Registration: 15 September 2026
Last Date for Registration: 10 November 2026

GENERAL TOPICS INCLUDE (BUT NOT LIMITED TO)

Track A: Computational Techniques and Informatics
Artificial Intelligence, Data Science, Big Data Analytics, Cloud Computing, Quantum Computing, Grid Computing, Cryptography and Network Security, Information Security, Digital Security, Data Warehousing and Mining, Social Media Mining, Image Processing, Mobile Computing, Machine Learning, Deep Learning, Soft Computing, Ubiquitous Computing, Pattern Recognition, Natural Language Processing, Bio-informatics, Computer Vision, Distributed Computing, Blockchain Technology, Cognitive Computing, Digital Twins, Computational Biology.

Track B: Smart Electronics & Communication Engineering
5G/6G Communication, Wireless & Mobile Communication, Antennas & Propagation, Smart Antenna Systems, MIMO Systems, RF & Microwave, RADAR Systems, Audio, Video & Image Processing, Biomedical Image/Signal Processing, Embedded Systems, VLSI & Microelectronics, MEMS and NEMS, IoT, Cognitive Radio, Space Technology, Medical Electronics, Robotics & Automation, Computer Networks, Brain–Computer Interfacing, Nanotechnology, Optoelectronics, Digital Health & Telemedicine, Biomaterials & Tissue Engineering.

Track C: Electrical Infrastructure and Automation
Power Electronics, Smart Grid, Microgrid, Renewable Energy, Electric Vehicles & Charging Systems, Energy Storage, AC/DC Drives, Industrial Motor Drives, Protection & Switchgear, Electrical Machines, Power Quality, Intelligent / Nonlinear Control, Automation and Process Control, AI/ML based Fault Diagnosis, Electromagnetic Device Design, Aerospace and Shipboard Energy Conversion Systems, Fuzzy Neural Systems.

Track D: Interdisciplinary Science and Engineering
Interdisciplinary Engineering, Applied Science and Mathematics, Sustainable Engineering, Clean Energy Technologies, Climate Change Mitigation, Smart Cities, Sustainable Infrastructure, Green Building Technology, Advanced Materials, Structural Health Monitoring, Additive Manufacturing, Mechatronics, Environmental Engineering, Computational Materials Science, Smart Manufacturing, Sustainable Engineering & Project Management, Humanitarian Technology Management, Ethical Technology Deployment, Program Management and Innovation.

***All accepted and presented papers will be submitted to the IEEE Xplore Digital Library for possible publication, subject to IEEE quality review and compliance with IEEE publication policies.**

Conference Highlights

- Publication in IEEE Xplore Digital Library*
- Special Sessions for IEEE WIE/SIGHT/YP
- Industry–Academia Interactive Sessions
- Best Paper Awards
- IEEE Membership Drive
- Research & Innovation Showcase by Students

PAPER SUBMISSION

Link: www.icce.org.in/submission

- **Page limit: 6 pages. Additional charges apply per page (Max: 2 Pages)**
- **Extended versions of selected high-quality papers will be invited for submission to special issues of reputed SCI/SCIE/ESCI/Scopus indexed Journals**

WIE Activity

ICCE 2026 will host IEEE WIE sessions featuring women innovators, mentorship interactions, and opportunities to connect with the broader WIE community.

AWARDS

- Best Paper Awards for Each Track
- Best Student Paper Awards (Male & Female)
- Best student Poster Presentation Award

SIGHT Activity

IEEE SIGHT sessions to showcase real-world impactful projects on humanitarian technologies and collaborate with researchers and community partners.

EXHIBITION & SPONSORSHIP

Industries & organizations are invited to showcase innovative products, technologies & services while gaining global visibility by supporting the ICCE 2026. Visit: www.icce.org.in/sponsors
